

We need to hear your voice to help us make important decisions about how to spend neighborhood resources.

Sunday, March 29, 2020 from 5:00 to 7:00 p.m.
in the Brian Coyle Community Center gym
420 15th Ave S, Minneapolis, MN 55454

Last spring, Cedar Riverside community members like you helped our board identify priorities for our neighborhood, including safety, strong women and families, youth leadership and opportunities, and tenant education and advocacy.

Now we need your help again so we can direct neighborhood resources to address these priorities through our Equity and Issues committee.

Please join the staff and board of Cedar Riverside Community Council (CRCC) with your family, neighbors, and friends who live in Cedar Riverside, to participate in a discussion and vote on this important process. Your voice makes a difference!

***This is your community, CRCC is your neighborhood organization
and your participation is important!***
