

SPECIAL MEETING NOTICE & AGENDA OF CEDAR RIVERSIDE COMMUNITY COUNCIL

Date of Notice: September 23, 2020

At the request of the community, The President of the Board of Directors of Cedar Riverside Community Council through this notice calls a special meeting at the same date and time as its next regularly scheduled Board Meeting. In compliance with Minn. Stat. 317A regarding special meetings, this notice contains the purpose of the meeting and the specific agenda, which by law must be set through this notice.

Meeting Information

Date: Wednesday, October 7, 2020

Time: 6:00PM – 7:30PM

Location: Virtually via Zoom Webinar

Moderator: This meeting is hosted in collaboration with League of Women Voters Minneapolis and will be moderated and supported by their volunteers and staff.

Purpose & Agenda of Meeting

This special meeting is called for the specific purpose of hearing from eligible voting members of Cedar Riverside Community Council about their questions and concerns and to provide an opportunity to for the voting members to sit with leadership of CRCC regarding recent events. This listening and information session is the sole purpose of the special meeting. No other business or voting will be conducted at the meeting.

Meeting Registration

CRCC hosts virtual meetings over Zoom. Pre-registration is required. Registrants will be able to log in to the meeting. This meeting, like our regular meetings will be open to the public. However, eligible voting members will be given priority registration since the virtual meeting platform allows for a limited number of participants per meeting.

In the event we have more registrations than available seats, CRCC will schedule an additional date for a special meeting for the same purpose to accommodate all eligible voting members who want to participate.

How to Register

- To register by phone please call 612.338.5578 at CRCC. Please leave a message, including your preferred language for follow up, name (please spell it out for us), phone number, email address, and any questions you might have.
